

MINUTES: HASA General Meeting

HASA MEETING September 13, 2017

Present: Shelly Coughlin, Bianca Koski, Melissa Bingaman, Stephanie Shumaker, Stephanie Witkamp, Ana Perez, Amber Goddard, Allison, Taylor, Meg Tomczak

Everyone introduced themselves

Prayer.

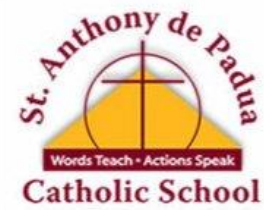

Treasurer report: Tom introduced himself to HASA and explained his role as treasurer. HASA has fundraisers throughout the year and that money is used then for activities as needed. There is ~\$10,000.00 in reserve for special needs. The big events that earn money for HASA are the BK book sales, box tops, original works, trivia nights, and rummage sales. Tom will be updating the group as needed.

Old Business/Committee Reports

- I. Back to school night and the Boo-Hoo/Yahoo morning recap. All are in agreement that the event went well. It was a good turnout for both. Suggested that next year it be considered that there be one evening with rotations of the teachers presenting their information, so parents with more than one child can just attend one evening to obtain the needed information and not several evenings.

New Business:

- I. Lucky 13 Costume Cotillion: Bianca went over the details as of yet- DJ is booked – he gave us a wonderful rate. He is familiar with the needs of the age group and that it is a catholic school- he has done many events at other parochial schools. The event will be from 6:30-8:30pm. This will give people time to get home, get dinner and get ready. Mrs. Waltz and Ms. Turnock will be contacted by Shelly to see if the 8th graders can assist with games- it was then decided that we will not have games, and have the DJ make sure to get everyone involved and keep the event rolling. There will be a photo station with decorations where people can take their own photos throughout the evening. Bianca will be organizing snacks. We will request RSVPs for a starting point for these purchases. Mr. Bittner will be contacted for details about the setup- tarps, roped off area for snacks, etc. We will have a planning meeting Wed. September 27 at 8:00 am in DePadua Hall. We are offering an experience!
- II. Still working on classroom liaisons. Fifth grade is in need. Allison could send an email about encouraging parents to get involved and “step up to the plate”
- III. There are new spirit wear t-shirts that should be available on SIA website.
- IV. Trivia Night planned for Sept 23 is tentative, as there are currently only 4 tables signed up.. Discussed that it is a fantastic event, yet it might be too soon in the year with so many other events going on, and the ND/Mich game is the same time. Allison will do one more push for

MINUTES: HASA General Meeting

it, and have Emily Johnson let us know what our options for rescheduling are. Possibly do two in the Spring as it is a great evening!

- V. Trunk or Treat. Father Dave would like it to continue. He feels it is good for the community. The school board will be discussing the details for it this year.

Next meeting: Wed October 11 @ 5:30 at Papa Vinos
