

Dear St. Anthony Families,

Would you like an easy and affordable way to say thank you and Merry Christmas to the staff of St. Anthony School? We have just what you are looking for..... Give a gift that always fits and is just what they wanted! HASA has made it easy for you-they have set up the St. Anthony Staff Christmas Gift Fund! No Shopping! No big decisions to make! It's a simple way for your family to thank ALL the teachers and staff who touch each of your children's lives every day.

This program is completely voluntary and is meant to make life easier for you. To participate, all you need to do is send in the monetary donation of your choice to the school office c/o "Christmas Gift Fund" **by Friday, December 8, 2017. Please make checks payable to "HASA".** After all donations are received; the fund is allocated among all staff. The staff will receive their gift along with a letter listing all families who have contributed. Any donations received after this date will be applied toward the fund for next year and may not be acknowledged in the accompanying letter.

The Christmas Gift Fund is a win for everyone!

- You, as parents, give a NICE gift to your child(ren)'s teachers, stress free!!!
- The teachers/staff receive a very nice gift that is PERFECT for their needs/wants!
