

### Before School Care Program 2017-2018

Dear St. Anthony Families,

St. Anthony School is pleased to provide student supervision beginning at 7:00 AM. The total amount for prepay for the year will be \$90 per child (this equates to \$0.50 per day per child for families that prepay for the entire year). Parents will have the option of paying this amount in full prior to the beginning of the school year, or they can have the full amount rolled into their FACTS payments on a monthly withdrawal.

Parents may indicate their enrollment in one of two ways:

- If you would like the withdrawal to begin immediately, you should email our Business Manager Jeanette Hamel at [business@stasb.org](mailto:business@stasb.org).
- If you would like to postpone the payment until September, you may submit the registration portion below to the school office from 9-12:30 or at our Open House on August 20.

The single day rate for before school care will be \$3 per day per child for any family who opts not to prepay but drops their child off earlier than 7:40 AM. If your child arrives at school before 7:40, they must report to the library. Families will be charged \$3.00 regardless of the amount of time spent in morning care.

Before School Care will begin on the first day of school, so you must email the business manager or sign up on or before August 20 to avoid the daily rate of \$3.00 per day per child.

Students should enter through the exterior library door (door #6) and report to the supervising staff member for check in.

Please contact Assistant Principal Allison Taylor at [ataylor@stasb.org](mailto:ataylor@stasb.org) if you have any questions regarding Before School Care.
