

Dear Parents,

Greetings! As you know, we instituted an updated uniform code for 2016-17. We want to thank our families for showing their cooperation and support of St. Anthony School by following the uniform code.

A few notes that will help us resolve the most common uniform reminders sent:

- Undershirts worn underneath uniform tops must be white with no printing.
- Leggings may not be worn under skirts. Students must wear uniform socks or tights.
- Pants must fit properly. If you are concerned pants are too tight, try this as a first test. Sit down and gather some fabric from the thigh portion of your pants. If you can't pinch an inch of extra fabric on your thighs, your pants may be verging toward too tight.
- Shorts, skorts and jumpers may not be more than 3" above the knee(to check length, kneel on the floor—hemline may not be more than 3" above the floor).
- Boys must wear their hair above the collar, eyebrows and ears in a traditional hair style. No shaved heads and no designs may be shaved into the hair.

Our uniform vendors are Sports Image Apparel (SIA) and SchoolBelles. Please visit [www.stasb.org](http://www.stasb.org) for more information regarding ordering and delivery of uniforms.

**All uniform code questions should be submitted to Assistant Principal Allison Taylor at 574.233.7169 or [ataylor@stasb.org](mailto:ataylor@stasb.org).**
