

Before School Care (BSC)

For those families that need to drop off a bit earlier in the morning, the library (located on the east end of the school at door #6) opens at 7:00AM every school day morning. Students are supervised by St. Anthony staff until 7:40AM when they are released to classrooms. Students should bring a quiet activity. Breakfast is not served and food is not allowed in the library, so students should eat prior to arrival at Before School Care. The fee for Before School Care is currently \$3.00 per day. Families may also prepay a reduced rate for the year. That rate is published in the summer informational mailing.

After School Care (ASC)

The After School Care Program is held daily on our campus from 3:00PM until 5:45PM Monday through Friday. ASC is also open on days when school is dismissed early. After School Care is available for all students enrolled St. Anthony, including full-day Pre-K.

Our students enjoy the friendship of their classmates as they engage in playtime indoors and out, supervised homework, arts & crafts, and other seasonal and fun activities. Snacks are served each day. The ASC staff has many years of experience working with and taking care of children in school and daycare settings.

Registration is available at the beginning of the school year or any time throughout the school year, however enrollment is limited. The rates for After School Care are published in the summer informational mailing.

Hot Lunch Program

St. Anthony offers daily lunch provided by Allie's Catering on Tuesdays through Fridays and other vendors (usually pizza) on Mondays at a cost of \$3.50 per day. Orders for lunch are placed on a monthly basis for the following month. Daily lunch purchasing is not available at this time.

Students may order as many or as few lunches during the month as they wish. Students may carry a lunch from home on days where lunch is not ordered.

Milk is purchased for the year, at the beginning of the school year, and is separate from lunch purchases. Free milk is available to those who meet eligibility requirements and complete the State Free Milk Application.

St. Anthony does not participate in the Free/Reduced Lunch Program at this time.
