## EDUCATING CHILDREN

Pre-K *through* 8th Grade

an INDIANA Four Star School

*Academic Excellence*  
*Welcoming Community*  
*Lifelong Values*

Come and see how.

Throughout our history, St. Anthony Catholic School has been committed to three principles: **academic excellence**, providing a warm and **welcoming community**, and developing **lifelong values** in our students. Maintaining these traditions, while embracing innovation, has allowed St. Anthony School to be a vibrant choice for parents for over half of a century.

## 1 Academic Excellence

St. Anthony was awarded a 4-Star rating by the Indiana Department of Education. This is the highest rating given by the state. We provide a nurturing and safe environment to help cultivate student potential. Our innovative curriculum is engaging, rigorous, and fun. We prepare students for challenges inside the classroom and beyond.

## 2 Welcoming Community

Our close-knit community is vibrant and diverse. Each year we sponsor events to bring our community closer together. We host family events, celebrations, spirit days, and big community meals. All are welcome to join us for Mass, Adoration, and Reconciliation.

## 3 Lifelong Values

Our Catholic foundation encourages students to deepen their faith and approach challenges through the lens of Christ's love. As a community, we emphasize emotional, physical, and spiritual growth in the classroom, on the field, and at all extracurricular activities. Many volunteer and ministry opportunities are available for families.

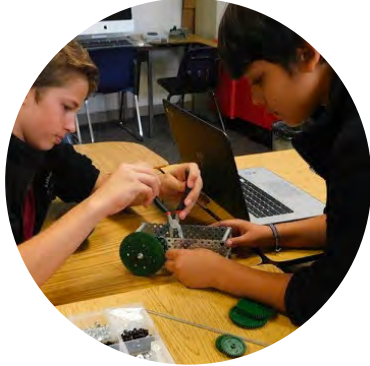

***Every child is known and recognized for their unique gifts so that their light can shine!***

*It is during their school days that life-long friendships will be made, spiritual formation will take place, and values will be instilled. St. Anthony School is here to partner with you in making those days the very best that they can be.*
