## Active Parishioner Information:

At least two (2) of the following requirements must be met to receive a Parishioner Tuition Subsidy towards the cost of student education at St. Anthony School (please check all that apply):

- 1. Parish Registration** – Family members are baptized and the family has been registered at St. Anthony de Padua for the **past year**. (Please contact [church@stasb.org](mailto:church@stasb.org) to register or inquire about registration status.). Note: If transferring registration from another parish, a letter from the parish office confirming your “active parishioner” status in the previous year is required from that parish.
- 2. Mass Attendance with Offering Envelope/eGiving Usage** - The family **attended Mass** at St. Anthony **at least five (5) Sundays or Holy Days of Obligation per year**. For matters of convenience, families may choose to attend nearby Parishes on a given Sunday but are asked to make every effort to join the Parish community at St. Anthony de Padua each week whenever possible. **Mass attendance is logged in the Parish Office through regular (usually weekly) offerings via use of parish offering envelopes or eGiving.** *The Parish community realizes families may experience hardship in making monetary offerings on a regular basis. For those that are unable, your intention to give is made evident by the simple placement of the offering envelope in the collection basket each week, even if the offering envelope is empty.*
- 3. Time/Talent/Stewardship** - Parents proactively contributed at least **5 hours of time, talent, or other stewardship** to the Parish and School community through such things as participation in the liturgy (Eucharistic Ministers, Lectors, etc.) and/or at Parish and School ministries, committees, programs, and events.

## Annual Review of Active Parishioner Status

The Diocese has asked all parishes to obtain an “Affidavit of Active Parishioner Status” each year at the time of School Registration (January/February). **Each family seeking a Parishioner Tuition Subsidy will be asked to complete an Affidavit of Active Parishioner Status at the time of registration for the Pastor’s review of compliance with the above criteria. Tuition subsidy will be granted or denied for the upcoming school year based on this annual review.** Those registered at other parishes will also receive a request to have your pastor review and sign an affidavit.

## Payment Information:

- Monthly Payments are managed through FACTS Payment Plan.
- Enrollment (class placement) is not final until:
  - Tuition and any other fees due to the school for any previous school year are paid in full, and
  - FACTS Payment Plan setup has been completed (Payment Plan setup may be completed online @ <https://online.factsmgmt.com/signin/3FFKJ>). Payment Plan setup is required of **all families** for billing purposes, including those making a one-time payment and those receiving a School Choice voucher.
- Upon withdrawal or transfer to another school during the school year, all fees included in tuition will be due and payable in full at that time, unless sufficient payment has been made to cover these fee amounts. Tuition will be prorated based upon 180 days of school from the first day of attendance to the last day of attendance.
- Payment of any balance owed to St. Anthony is required for future acceptance into another Diocesan school, including high school, and for the transfer of student records to any public or private school.

## Tuition Assistance

Several types of Tuition Assistance are offered at St. Anthony for grades Kindergarten through 8. Assistance for Pre-K is offered on a case-by-case basis. A FACTS Grant & Aid application is required for eligibility determination at <https://online.factsmgmt.com/signin/3FFKJ>.
